Dear Malibu Surfing Association:

Thank you for participating in the Adopt-A-Beach program. Enclosed is your groups' certificate of adoption. Please accept this certificate as a symbol of our appreciation for all the time, energy, and enthusiasm you have lent to the program. By getting involved in caring for our beautiful coast, you have helped keep California a wonderful place to live and play, now, and into the future.

If you would like to continue your efforts in conserving the resources along the coast through beach cleanups, please contact us at 1-800-COAST4U or visit our web site at www.coastforyou.org to receive information on how to re-adopt.

Thank you again for helping our program to become the success it is today! 😊

Sincerely,

A handwritten signature in cursive script that reads "Shannon K Waters".
